

School Group / Field Trip Options

Our fleet of 180 canoes and kayaks can host groups of nearly any size and age - 6th grade and up is most common, but all are welcome!

Come visit Heavner Canoe & Kayak Rental with your school or youth group for a fun time on the river! This section of the Huron is slow and shallow, and kids from sixth grade and up can paddle up- and down-stream by themselves without difficulty. You can put two or three kids in 1 canoe, and we provide 1 complementary chaperone kayak per 20 paid students.

#Our most popular option— paddle upstream through the proud lake wilderness to the wier. About 2 hrs round trip, launch and return at 2775 Garden Rd, Milford. Priced at \$15/student

#One-way downriver trips and other options available. Your transportation gets the kids, we get the boats.

- 2 1/2 hr trip to Kensington Group Camp - \$23/student
